## S/S TAILPIECE REMOVAL TOOL

#11402

Easily remove and replace Sloan, Zurn, and Delany tailpiece nipples. There is very little room in the tailpiece to place standard wrenches, so this tool offers the perfect fit and solves the problem.

### FEATURES:

- Stainless steel – will not rust
- Superior tensile strength is stronger than other steels
- Deep grooves ensure a good purchase and a strong grip

## GORILLA GLUE CLEAR EPOXY

#61248

This Epoxy from Gorilla has superior solvent and water resistance which makes it an incredibly strong and durable choice for repairs of all kinds. The double barrel syringe keeps the epoxy resin and hardener separate to keep the epoxy from hardening, and the connected plungers make it easy to dispense evenly.

### FEATURES:

- Dries Clear
- 5-minute set time
- Fills voids and bonds uneven and vertical surfaces
- Easily bonds steel, aluminum, glass, wood, ceramic, tile, and most plastics

## Did You Know Best Carries ...

### Rock Abrasive Gloves #10302

These are built tough and durable to withstand the harshest jobs! Perfect for handling any pipe snake without friction burn or binding, allowing the cables to twist easily and not catch or snag. The embedded PVC chips and outer coating will also help minimize heat transfer and will not heat up like metal embedded gloves. On the inside, these roter gloves are jersey-lined for maximum comfort while keeping your hands dry during the job. **pg. 10-48**

- Durable PVC coated canvas outer shell
- Soft jersey-lined inside
- One size fit most

### Knipex Cobra Water Pump Pliers

4" Pliers	#99154264	7-1/4" Pliers	#10820
5" Pliers	#10899	10" Pliers	#10818

These Water Pump Pliers from Knipex come in a range of sizes to ensure you have the right fit for the job. They are constructed from chrome vanadium electric steel, an innovative high alloy, oil-tempered steel that ensures longevity. Their thin head design helps you get into spaces other pliers can't, so there's no need to change tools when working in tight confines like with toilet bolts, stop valves, and supply lines.

- **One-handed adjustment** and guard prevents operators' fingers being pinched
- **Fine adjustment:** ensures optimum adjustment to differently sized work pieces gripping surfaces with special hardened teeth
- **Secure catching of the hinge bolt:** no unintentional shifting
- **Box-joint design:** high stability because of double guide
- **Self-locking on pipes and nuts:** no slipping on the work piece and no hand force required

### 1/2" & 3/8" Brass Fittings Kit Box #70096

Contains 72 pieces of assorted 1/2" and 3/8" brass fittings. Includes elbows, tees, couplings, unions, and more. **pg. 2-17**

### 36" Easy Stretch Slotted Bungee #11388

This 36" slotted bungee stretches to a max of 72". It features nylon j-hook ends for a secure hold. **pg. 10-48**

### 1/2" Replacement Spiralink Coupler #79082

This coupler is a permanent replacement for the failure-prone OEM coupling. For Bell & Gossett, Armstrong, and Taco circulators and in-line pumps. **pg. 9-21**

### DON'T FORGET BATTERIES!

**pg. 10-53**
