Featured Item #1 Urinal Cartridge Kit

#59992

Cartridge is engineered to last 7000 uses and to receive waste through drain holes.

p. 6-30

Featured Item #2 Cartridge Indicator (Dome Cover)

#59995

The Falcon cartridge indicator provides a clean visual signal when a cartridge needs to be replaced. The indicator fits in place of the diverter cap and shows a blue signal through the center lens when the cartridge has reached the end of its life cycle.

Featured Item #3 Blue Monster Thread Seal Tape

#97820 1/2" x 1429" Roll

#97821 3/4" x 1429" Roll

Rugged, general purpose tape in a monstrous 1,429" roll! As much as five times more tape! Not too thick and not too thin. Developed in response to the demand for a higher-quality PTFE sealing tape that is easier to apply. It's rugged and has not been stretched during the manufacturing process, so it is thicker and creates a more effective seal with less tape, and no need for pipe dope.
