MegaPro 15-in-1 Shaftlok Driver
#10209

Locking Shaft eliminates the hassle of bits falling out of the shaft when getting partially "stuck" in the fastener as the driver is pulled back away from the fastener! Shaft diameter is almost 50% narrower than standard quick change chucks, allowing the shaft to reach into narrow openings! Contains your most popular bits. Made in the USA.

MegaPro Shaftlok Extension

- #10210** 6 inch extension
- #10211** 10 inch extension

Allows access into smaller spaces.

Sometimes finding the right repair parts can be difficult;
we make it easy!
