Plunge Cut 2-in-1 Bore Blade

#10604 6 inches

Cuts 3 Ways!

The rounded nose eliminates pilot holes allowing you to plunge cut with ease. The double edge blade allows for multi-directional cuts without flipping the saw over. Cuts wood, pipe, sheet metal, plastic, nails, fiberglass, and other hard materials!

EcoDrop Dropcloth

#17759 9 x 12 inches

The first biodegradable plastic dropcloth!

This product is biodegradable when discarded in a landfill within 12 to 24 months. When discarded in soil, the presence of microorganisms, moisture, and oxygen will decompose this product into simple materials found in nature, as described in ASTM D6954-04. It's made of 2 mil heavy-weight, leak-proof plastic. Good for indoor or outdoor use. The green tint will show paint splatters much better.

6 Inch Steel Pocket Ruler

#11357

Front: gradations in 32nd-64th.
 Back: decimal equivalent table.

Pocket clip allows you to use the 300/1 rule as a depth or height gage. Made of 6 inch flexible stainless steel.

Sometimes finding the right repair parts can be difficult;
we make it easy!
