Nitrile Coated Work Gloves

- #10304 Large
- #10307 X-Large

When standard latex or nitrile gloves don't offer enough durability for your needs, it's time to explore coated glove options. The resilient coating material found on these reinforced gloves offers enhanced protection for your hands and an added grip benefit. Now, the same glove that protects you from injuries on the job can help you better grip the items that you handle on a daily basis.

Nitrile Tough GT Gloves

- #10617 Large
- #10619 X-Large

Amazing Wet Grip! Breathable micro-foam palm and fingertip coating protects hands and enhances grip. Lightweight nylon and spandex knit liner ensures excellent fit and dexterity.

Goop Anti-Skid Epoxy w/ Grit

#60144 Clear

Helps prevent slip and fall accidents. Easy to use and lasts longer than tape. Provides a hard, flat, textured finish. It's lead-free as well as chemical, gas and oil resistant. Can be used indoors and outdoors and is friendly with bare feet. Will work with properly prepared wood, concrete, metal, fiberglass, tile, porcelain, and many other surfaces.

Blue Monster Pipe Dope

#99728 PTFE 2 oz.

#99729 2 oz.

Thread sealing applications have changed. Pipe joint compounds have not - until now! Blue Monster pipe joint compounds have been engineered to address poor quality metal threads and the growth of plastic pipe systems. Two formulas available with and without PTFE.
