Quad Close Trap Seal

- #99410632 2"
- #99475099 3"
- #99410633 3-1/2"
- #99475100 4"

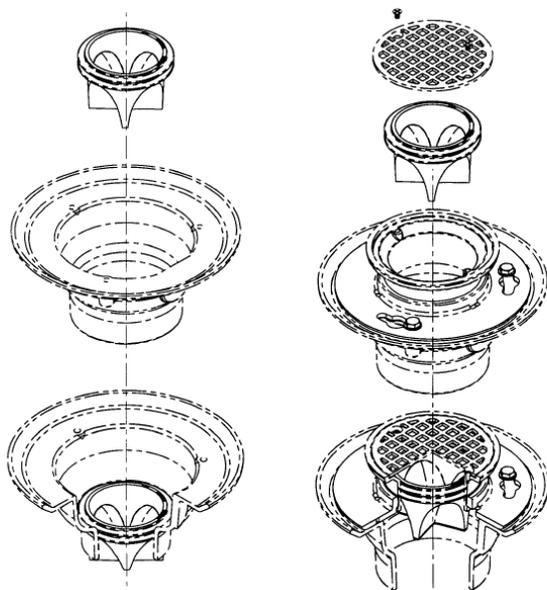

Minimizes Evaporation!

Prevents Sewer Gas Emission!

Diminishes Backup of Raw Sewage!

Easy to install into the floor drain, rather than the plumbing system, this is a reliable solution in protecting the trap seal. By creating a watertight seal inside the drain hub, outlet piping or throat of strainer, it not only saves water but is easier to maintain than a trap primer. For use in the floor drain outlet or the throat of the adjustable strainer.

Lighted Pick-Up Tool

#11295 Set of Two

BLUE:
 Magnetic

RED:
 Non-Magnetic

The Lighted Pick-Up Tool makes it fast and easy to find and retrieve the small objects that fall through your fingers! See and reach into awkward spaces where only the Lighted Pick-Up Tool can fit!

The **BLUE** magnetic Pick-Up Tool works well with picking up metal objects like screws. The **RED**, non-magnetic Pick Up Tool works well when a magnet would be a drawback.

Both are flexible, have a handy LED light with an easy On/Off button, and are approximately 24 inches long. Batteries and a sturdy storage case are included!

Featured Item #1 **Saf-T-Kut Saw Blades**

#10634 2 pack

Designed to safely cut through drywall and plaster without damaging hidden electrical and plumbing lines. The blades install just like any other blade.

Jab the blade into the drywall before turning on your saw and then hold the saw at a 90° angle against the drywall.
