## 2 IN X 20 YD Heavy Duty Hurricane Tape

**#61233**

This tear resistant tape, made of plastic substrate lamination for increased durability, is a multi purpose alternative to duct tape. It can be used all year long and will be especially valuable during hurricane season. Providing ultra-strong protection against shattering glass, it minimizes bodily injury and property damage. Hurricane Tape will also adhere to many surfaces, including glass, wood, pvc and metal.

- Conformable and can be applied to irregular surfaces
- Water based acrylic adhesive will adhere in any condition or temperature, including cold and wet environments
- Resistant to stains, mold, decay, and UV exposure
- Arranged in a right angle woven pattern to ensure the tear strength of the tape
- Will not leave a residue if removed within 7-14 days
- Almost unlimited uses including making temporary auto and household repairs and securing items for transport and storage
