Crocodile Anchors

11343 - 1/2 X 2-1/2

11344 - 3/8 X 2

11346 - 5/16 X 1-3/8

11347 - 1/4 X 1-3/16

11349 - 1/4 X 1

*Hex Bolts on pg. 6-47 & 6-48

QUICK This three step system installs quickly and simply and provides a neat finished appearance. Eliminates the use of inserts, plugs or shields

STRONG Torquemaster™ Crocodile™ Anchors are as strong, or stronger, than any other anchor of same size

BROAD APPLICATION Applicable to any kind of bolt head (Use with hex bolts for maximum hold, found on pg. 6-47 & 6-48)

HOLDING POWER Threaded bolts give maximum holding power and torque for heavy applications

SAFE No dangerous powder-actuated tools are needed

GUARANTEED EXPANSION Metal plate-made product, patented design of full-thread cone shaped expansion with excellent capacity of grabbing concrete walls

REMOVABLE Screws can be easily removed and re-installed in the same hole

LOW COST Time saved using Torquemaster™ Crocodile™ Anchors lowers the overall installed cost

Did You Know Best Carries?

STA-TITE® Seat Hinge Set

#51069

Prevents toilet seats from loosening while cutting installation time by a third!

Rather than three pieces of stainless steel, the STA-TITE® nut is a single unit with an integrated washer.

The body is made from a composite that won't gall with stainless steel but yields advantageous frictional forces.

Instructions:

1. Center seat on bowl and fingertighten Sta-Tite Fastening nuts.
2. Using a 5/8 inch wrench, alternately tighten until lower portions shear off.

p. 5-22

Snap Hose Coupling

#66153

Features a push/pull ring to couple or uncouple hose and attachments quickly and easily. For hose to sprinkler or hose to nozzle connections. Heavy-duty solid brass construction with comfortable rubber grips.

Contains: One male and one female quick connector.

p. 6-63
