Anti-Skid Epoxy w/ Grit Clear *11 oz.*
#60144

The Anti-Skid Epoxy provides a hard, flat, and textured finish on most surfaces, helping to prevent slip and fall accidents. This grip, that can be used indoors or outdoors, is lead-free as well as chemical, gas, and oil resistant, and is friendly with bare feet.

Will work on: wood, concrete, metal, fiberglass, tile, porcelain, and more

Better Than Wax

#55552 | Toilet Gasket
#55559 | Toilet Gasket Kit*

No Wax, No Mess!
A Superior Solution to an Old Problem!

Works with above and below floor flanges, uneven floors, or over tile floors with recessed flanges! This gasket can be repositioned during set up and features bolt holes for easy guide installation! Excessive plunging won't cause leaks.
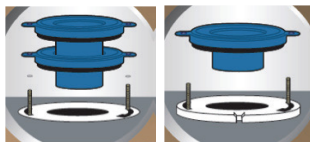

• Fits 3" or 4" flange
• Fits any drain and toilet

*Kit Includes:
Spacer for use with recessed flanges and solid brass bolts
pg. 5-29

Stackable

Did You Know Best Carries?

Safety Foam Earplugs (BX/200)
#99884

• Extremely smooth and tapered body allows for easy insertion
• Non-allergenic polyurethane formula for maximum comfort
• Self-adjusting design exerts very little pressure on the ear canal
pg. 6-119

Restroom Stall Block-Aide
#99522619

"Sorry, Out of Service" is the polite and sanitary way to keep people out!

Device slides over the stationary stall front and moving door panels. This locks the door closed from all patrons until the repair can be completed.

DIMENSIONS: 3" x 1.5" x 4.5"
pg. 6-25

Fit All Basket Strainers
#54321

For use on tub drains, water fountains, and more! This spring prong tool features an adjustable lock-in bar to keep strainer in place in any drain!

• Convenient assembly and removal
• Easy to clean

pg. NEW-2
