Megapro Outdoors 14-in-1 Screwdriver #10251

The MEGAPRO Outdoors 14-in-1 Screwdriver is designed specifically for rugged outdoor use. This screwdriver is indispensable for a multitude of in-the-field situations including emergency repairs and maintenance.

Features:

- A near-indestructible handle made with a special multi-resin molding process to provide it with a camouflage finish.
- 6 popular double end professional quality bits
- Contains a round-awl to undo rain-soaked/over tightened knots within rope.
- The shaft opening also serves as a 1/4" hex driver.

BEST FEATURED ITEMS

Axion Eyepod #99452510

With a patented Axion MSR inverted flow pattern, this eyewash delivers a zero-velocity stream for increased effectiveness and user comfort. A thermoplastic shutoff prevents accidental scalding by shutting off the eyewash if temperatures exceed 100 degrees F. pg. 6-109

- Stainless Steel
- Features a tempering valve to blend hot and cold water, delivering tepid water, consistently.
- Flow capacity of 0.5 to 6 GPM
- Uses a bimetallic thermostat that senses incoming water temperature and automatically blends water to 85 degrees F.
