"I didn't know you carried that!"

GELite Anti Slip Knee Pads #11589

Providing maximum protection and comfort, the GELite Anti-Slip Kneepads are complete with triple layered EVA foam and durable GELite, soft neoprene.

FRONT: These Zero Pressure Zone kneepads have injected SEBS covers, dipped in the center to redirect pressure away from the knee bone. They are perfect for kneeling over hard surfaces, using their "Rough Terrain Feet" to extend outward and grip, providing a bridge over all areas.

BACK: The adjustable upper and lower straps have hook and loop fasteners to give extra security while letting you pick the right size for ease of mobility. Padded with breathable mesh fabric to help you stay cool and comfortable until you get the job done.

Urinal Enforcer 4 OZ #98636

Eliminate unwanted uratic salts, urinal odors, rust, lime, and more with Best's Urinal Enforcer!

These build ups cause clogged urinal pipes, which lead to unpleasant smells and draining troubles. This chemical mix has been carefully constructed to eliminate mineral and calcium deposits in your drains, allowing your pipes to flow freely. Conveniently packaged in a 4 oz. bottle, pour the entire container into each urinal at the end of day, letting the dissolving formula work overnight, and then flush the urinal in the morning. Use this treatment every two weeks.

Product Video

SDS Sheet

Low-Toxicity, Non-Acidic, and Biodegradable. Safe for all Types of Plumbing Pipes.

Warning: May cause skin and serious eye irritation as a water diluted product. KEEP OUT OF THE REACH OF CHILDREN

Gel Guard Glove Insert

#11581 SM/MED 4 (L) x .5 (W) x 6.5 (H) inches

#11582 MED/LG 4.5 (L) x .5 (W) x 7 (H) inches

Turn any glove into an anti-vibration, impact absorbing, work glove with the Gel Guard Glove Inserts. Built with 100% injected gel to help your hands stay cool, and provide maximum comfort and protection against constant vibration and impact, saving your hands from calluses and burns. Featuring soft elastic straps that comfortably slip over the hand to hold the guards in place, while the gel easily conforms to the shape of the palm area.

Gel Guards can be worn inside a glove or by themselves. Perfect for use with power tools - high powered drills, impact drivers, sawzalls, jackhammers, and much more!
