## BARRICADE TAPES

Easily warn or catch the attention of people walking near a potentially hazardous area or situation.

These Barricade Tapes are 3" wide x 1,000' long, meaning that they can easily zone off large areas without having to use multiple rolls. Made of high strength polyethylene with UV resistant ink, these warning tapes will withstand rough, outdoor conditions. Bright backgrounds with bold, black print for easy visibility to ensure safety on the jobsite. 2 mil.
