## Shredneck Protective Face Guard # 11585

This face guard is perfect for all types of workers who want to stay cool and dry. This product protects your face from UV rays, wicks away moisture from your neck and face, and provides a barrier between you and what's around you. Great for preventing dust, bugs, and fumes from settling on your skin.

- 100% microfiber polyester
- SPF 40

## Crescent Pass-Thru Adjustable Wrench #11360

This versatile fastening tool offers multiple fastening options in one simple design. It features a traditional 8" adjustable wrench as well as a pass-through ratcheting system that works over long threaded rod where normal ratchets and sockets do not fit. The jaw on the wrench head can be easily removed and reversed, turning it into an adjustable pipe wrench.

- Etched SAE/MM scales and wide opening jaw
- Includes 10 universal combo sockets that fit both standard and metric fasteners: 3/8 in (10mm), 7/16 in (11mm), 15/32 in (12mm), 1/2 in (13mm), 9/16 in (14mm), 19/32 in (15mm), 5/8 in (16mm), 11/16 in (17mm), 23/32 in (18mm), 3/4 in (19mm)
- Every pass-thru socket replaces a standard and deep socket
- Corrosion Resistant
- Block Oxide Finish
