TITE FOAM Insulating Sealant

#69570

Loctite TITE FOAM is a polyurethane-based insulating foam sealant that expands to fill, seal and insulate gaps and cracks inside or out. This white polymer foam is 4x more dense and provides better durability and insulation than conventional foams.

- Adheres to most building materials like wood, concrete, stone, metal etc.
- UV resistance reduces foam brittleness and darkening
- Can be sanded, painted, or stained
- Product does not contain CFC-propellants
- Sealing around wiring and plumbing penetrations, and outside water faucets.
