8 IN ADJUSTABLE RATCHETING FLEX WRENCH

#10888

This adjustable ratcheting flex wrench features a pivoting head for smooth ratcheting action and a 180° flex handle for superior access at any angle. Its hex jaw design helps reduce slippage for solid, secure operation, while the corrosion-resistant chrome finish helps prevent rusting.

- 180° indexing handle locks in 12 different positions
- Large capacity 1-1/8", 29mm hex jaw design reduces slippage
- Larger knurl for easier adjustment to ensure a tighter jaw fit
- Heat-treated forged alloy steel for toughness and durability
- Laser etched scale in both SAE Standard and Metric sizes allows easy measurement of fasteners
- Chrome plated finish resists rust or corrosion

See Section 2 and Section 6 for our line of nuts and bolts/assortments.

SPLASH HOG URINAL SCREEN

This splash reducing urinal screen features a splash-back extension, covering the area where men generally aim, keeping the restroom cleaner. The only urinal screen on the market that goes up the back wall of the urinal

- 60 day fragrance lasts twice as long as most urinal screens.
- Embedded with an enzymatic drain cleaner to reduce build-up down the line
- Other fragrances available

*Mini option is for High Efficiency urinals where the regular size is too large

Splash Hog Size:
13in x 8in x 9in

Mini Splash Hog Size:
10.25in x 6.5in x 6.5in
