Crescent 16" Adjustable Pry Bar With Nail Puller #10065

This tool features an adjustable jaw that slides and locks to grip onto different sizes of boards for straightening and prying. The pry bar's double-ended design features a nail puller slot at one end, and a striking hammer head surface on the other. The large claw on the head adjusts for leverage in nail pulling.

- Jaw opens 3-1/2" wide
- Laser etched measurements for adjustable jaw
- Grooved jaws for better gripping
- Ergonomic PVC handle

See Section 10 for more great tools!

Klein Digital Pocket Thermometer With Magnet #91132

This digital thermometer takes ambient and direct-contact readings in both Fahrenheit (°F) and Celsius (°C) scales. The rugged, portable design makes it a practical choice for HVAC field service work. A magnet inside the base of the probe allows the device to attach easily to air vents.

- Range -40° to 572° F (-40° to 300° C)
- Fahrenheit and Celsius temperature measurements
- Backlit display for visibility in low light
- Max/Min, Hold and Average functions
- 3-inch stainless steel probe
- Removable protective sheath that doubles as a handle

1/2" & 3/4" Copper Assortment #72283

Contains 202 of the most popular 1/2" and 3/4" Copper Fittings, including Elbows, Tees, Adapters, Couplings, and Unions. This kit also includes Solder, Flux, Flint and 4-in-1 Cleaning Brush. (pg. 2-16, pg. 7-11)

BEST FEATURED ITEMS

WHITE 2.5 GPM SHOWER HEAD

#68234 Shower Head

#67101 Shower Head W/ Adjustable Spray Button

Delta soft rubber Touch-Clean spray holes allow any mineral residue to simply be wiped away for an instantly refreshed look with no need for soaking or the aid of chemical cleaners. Ideal for everyday use, especially in hospitals and nursing homes.

- 2.5 GPM Flow Rate
- Low gloss, pristine white finish
- ADA Compliant
- Hose not included

See pages 7-47 through 7-52 for more showerhead options
See page 7-53 for shower hoses and arms

KNEE AND BACK PAD

#99490735

Protect your knees and back with this super soft, commercial grade kneeling pad. Indentations cradle and comfort the knees.

pg. 10-49

- 18" x 13.5" x 2"
- Multi-functional design provides both back and side support when flipped over
- Cleans easily with soap and water
- Ribbed anti-slip surfacing on bottom provides stability while working
- Made in the USA

See pages 10-49 and 10-50 for more safety gear

REAL-TITE STAINLESS STEEL CLEANOUT PLUGS W/ HEX WRENCH

#68286 1-1/2"	#68288 2-1/2"	#68290 3-1/2"
#68287 2"	#68289 3"	#68291 4"

Designed for use in cast iron fittings where threads have been damaged. These plugs are designed with a stop on the bolt to prevent the lower wedge from becoming disassembled from the unit and dropped down the line. They have an extremely large gasket that seals behind, over, and at the tip of the pipe or opening. pg. 6-92

- Holds up to 50ft of backpressure
- Backpressure increases sealing ability
- Easy to remove
- Can be reused, saving time and money
- Wrench included
