### 1SHOT Steel Stud Anchor (PK/4)

#11350

1Shot Steel Stud Anchors are designed to mount heavy items directly to the 25-gauge steel studs in the walls commonly used in today's steel framed homes, offices, and apartments. This uniquely designed product makes screwing into steel studs a simple three step process. Just find the center of the stud, drill a small pilot hole, and install the 1Shot. These anchors deliver reliable mounts on steel stud structures, eliminating the need for solid backing behind the drywall.

**You may need:**
