MILWAUKEE 13-IN-1

Cushion Grip Screwdriver W/ ECX BIT*
#11529

Features 13 unique functions, which ultimately reduces the number of tools a user must carry.

Limited bit wear when fastening hardened specialty screws found in electrical boxes, conduit couplers, outlets and other common job site fixtures.

FEATURES

- 8 unique driver bits - P1, P2, SL 3/16", SL 1/4", SQ1, SQ2, ECX1, ECX2
- 4 nut drivers – 1/4", 5/16", 3/8", 1/2"
- Tri-Material Cushion Grip Handle

 *ECX Bits are a combination Phillips, slotted, or square head designed to fit a specific type of head screw found on many electrical components and terminals.

UTILITY

Odor Kill Powder
#98668

The industry's most effective odor absorbent.

Odor Kill absorbs fuel oil odors and eliminates mildew odors. It is perfect for use on air filters to instantly destroy odors in ducts. Just use a small amount to quickly neutralize fuel oil odors due to leaks, spills, tank overflows and oil burner drippings. It absorbs the oil so it can be swept away.

ACTIVE INGREDIENT:

Magnesium Aluminum Silicate

- Non-Toxic
- Non-Flammable
- Non-Corrosive
- Non-Irritating
- Made in USA

JACKNOB

Gender Neutral Signage
#69668

All Jacknob bathroom signs are easy-to-read and have braille characters to meet ADA regulations.

FEATURES

- Double-sided mounting tape included
- 6"W x 9"H x 1/8" Thick
- Made of durable acrylic
