Floor Sink Basket

#89049 8-1/2 Square 2-in-1 Floor Sink Basket

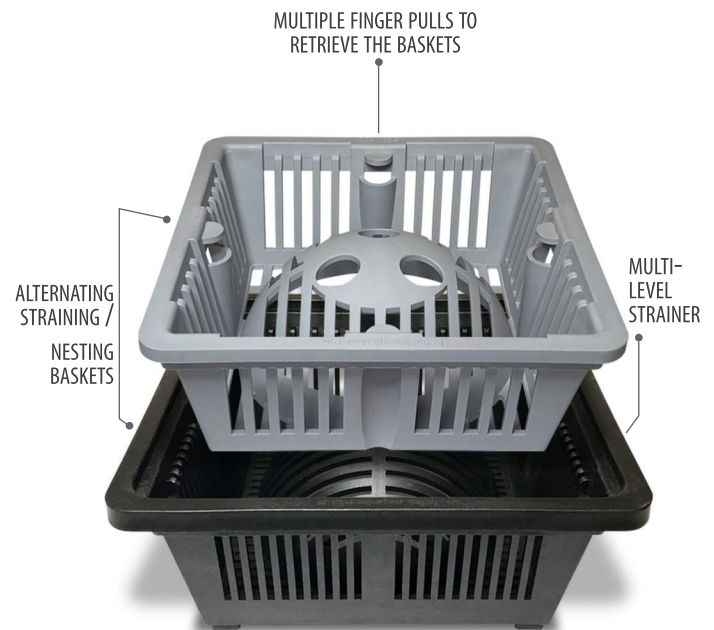

#89050 8-1/2 Round 2-in-1 Floor Sink Basket

The 2-in-1 Floor Sink Basket System ensures solids can be extracted while leaving the primary basket in place. The basket has multiple finger-pulls to easily retrieve both baskets. They are made of glass filled polypropylene and feature alternating strainer sizes with the top basket designed to filter larger particles and the bottom basket to filter smaller particles of debris.

Used in floor sink basins to collect solids, sediment, and debris for food processing plants, restaurants, grocery stores, and any place that utilizes indirect drainage.

FEATURES:

- Reduces the need to snake your drain
- Cuts down on solid waste
- Prevents floating rags/bags from blocking pipe exit
- Prevent blockage in common area/city main lines
- Compatible w/ Dome D-Lock Drain Lock (pg 8-24) as well as other drain locks

Crescent 12" Self-Adjusting Pipe Wrench

#10881

The self-adjusting head design instantly grips or releases, providing fast ratcheting action, with double the gripping power of traditional tongue-and-groove pliers. The extended lower jaw increases access and allows for quick pipe grip in confined spaces. Jaw can be locked in the open position to quickly enter and exit pipe turning applications. This tool is ideal for most surfaces, including black iron, galvanized, PVC and copper pipe, as well as nuts, bolts, and couplings.

FEATURES:

- 1-1/2" Jaw Capacity
- Dual material grip provides added comfort and durability
- Unique angled tooth configuration grips tighter than competitors wrenches
- 20% wider jaw for increased gripping capacity
- Slim profile head design allows better access to tight areas
- The black oxide finish wipes clean easily and resists rust or corrosion
