Plunge-It Air Powered Plunger W/ Attachments

#10834

The Plunge-It plunger clears clogged toilets, tubs, showers and sink drains by forcing air and water through the drain line. It includes two force cups to properly fit your application and drain. Force cups are threaded for easy installation and stability.

FEATURES:

- Durable polymer construction
- Contoured Handle
- Unclogs drains with the push of a handle
- Use to clear toilet, bathtub and sink drains
- Environmentally safe

Small Cup for Small
& Recessed Drains

Large Cup for Large
Drains & Toilet Bowls

Water Bandit Hose Connect

#65062

Connects your standard water hose to would-be-unattachable water sources. One end connects to a standard water hose via a brass male standard water connection. The other end is a highly flexible silicone-polymer sleeve that stretches to fit over the end of virtually any standard water source; those with damaged or stripped threads and even to water sources with no threads at all.

FEATURES:

- Connects a hose to unthreaded faucets or those with stripped threads
- 3-1/4" long and attaches to any standard size faucet
- Not intended for use under pressure
- Compliant with all federal and state level low lead laws. CSA Low Lead Content Certified to NSF/ANSI 372

BEST FEATURED ITEMS
