Extension Cord Safety Seal

#10567

- Water-resistant case protects cord connections
 - Securely locks cords together and keeps them dry
 - For use indoor and outdoor
 - Ideal for temporary connections like drain opening power snakes, pumps, power tools, illumination and holiday decorations
 - Rubberized closures on each end make the extension cord safety seal easy to use
- p. NEW-4

Over Boot/Shoe Traction

#11233 (M), #11236 (L)

- Every step you take places hundreds of biting edges in direct contact with the ice beneath your feet
- Made out of an injection molded thermal plastic elastomer, designed for easy on and off
- The coils are protected against rusting
- Hand-wound to give you 360° of traction on ice and snow
- The outer band conforms to the length and width of your boot or shoe
- High strength horizontal coils provide forward and backward stability
- The vertical coil pattern provides side-to-side stability
- Spikeless
- Ultralight

Ten times the gripping points as any spike based traction device!

p. 6-120

Wobble Wedge

#55589

Having issues with an un-level floor mount toilet?
Use the wobble wedge!

- Stackable
 - Rigid, can be driven
 - 1-1/8" x 1-15/16" x 1/4"
- p. 5-33

Did You Know Best Carries?

Assorted Batteries Page 10-50!

Anti-Skid Epoxy w/Grit, Clear #60144

- Helps prevent slip and fall accidents
- Easy to use
